ILLUMINATING LANDSCAPES: K-LITE'S HIGH-QUALITY ARCHITECTURAL LUMINAIRES

K-LITE: Illuminating Architecture Since 1977

Established in 1977, K-LITE is a pioneer in the design and manufacture of high-quality architectural luminaires and lighting poles. With decades of expertise, the brand has earned a reputation for delivering reliable, aesthetically refined lighting solutions that cater to a wide range of design preferences and functional requirements.

Sustainable Manufacturing, Timeless Design

Operating through state-of-the-art manufacturing facilities, K-LITE focuses on sustainable and energy-efficient LED technology. Every luminaire is engineered to meet stringent international quality standards while embodying architectural elegance and design precision.

Built to Withstand the Elements

K-LITE's landscape and outdoor lighting solutions are purpose-built for rugged environmental conditions, capable of withstanding:

Wind | Water | Direct Sunlight | Rain | Dust

All products feature high IP and IK ratings, ensuring superior protection against ingress and impact. This makes them ideal for demanding outdoor and landscape applications.
