GOOD DESIGN CHANGES EVERYTHING

A Times Group Publication ₹150  
VOLUME 17 ISSUE 02 JANUARY - FEBRUARY 2026

## NEBULA

### Precise Light . Minimalist Design

Stylish Nebula series is designed in such a way to provide directional spot light with various distributions. Ideal for the illuminating landscape, architectural elements and numerous other lighting tasks in interior and exterior lighting applications. Their sturdy construction makes them particularly suitable for areas where a high level of robustness is required.
